3. The above sanction is issued with the condition that the following activities will be completed by the State before tendering.
 - i. The joint inspection of some of the proposed LSBs has not been carried out as per the Programme Guidelines. All such Bridge sites should be jointly inspected by SE and STA jointly and necessary corrections, if required, should be made in the design and BoQ, before tendering of such bridges.
 - ii. The State should recheck the Bill of Quantities (BoQs) and estimates during the Technical Sanction;
4. The State should also address the following while executing the projects:
 - i. State must ensure that the payment to Cement Concrete roads is made only after verification of target strength achieved after 28 days based on cores taken from the pavement as per MoRD specifications.
 - ii. State should get appropriate number of samples tested for stabilization of base and sub base courses for determining the dose of stabilizer for required strength, before award of work, from STA laboratories/State Government approved laboratories having such facility.
 - iii. State must ensure that the payment for execution of those roads where the Stabilized sub bases or bases are provided, is made only after verification of target UCS strength of stabilized layer achieved after 7 days based on cores taken from the pavement as per MoRD specifications.

Encl: As above

Yours faithfully,

(P. Manoj Kumar)
