- Finance Minister apprised the Cabinet that the budget presentation 2017-18, will be advanced by a month to first week of February, 2017. Secondly, he also requested all the Ministers to indicate their priorities/signature projects in addition to normal allocations that departments are communicated in time. Since the time is very short, the Ministers were requested to indicate the same to Finance Minister by 1st January, 2017 with a copy to Hon'ble Chief Minister.
- Cabinet has also taken a note of slow progress of construction/ repair of roads by the PWD and decided that new works worth Rs. 2000 crore will be started in the Current Financial year. Finance Minister agreed to provide a separate budget head for liabilities in the next budget and fresh works can be started under a new programme called, "Mukhya Mantri Path Nirman Yojana" with a target to complete all these works within three years.
