## TERMS OF REFERENCE (TOR)

For Guest faculty/trainer of RCTRC Assam

Rural Connectivity Training and Research Centre (RCTRC) is set up under Public Works Roads Department (PWRD) within the campus of Assam Road Research and Training Institute (ARR&TI) at Fatashil Ambari, Guwahati-25 with vision to transform into Centre of Excellence in Training and Research towards capacity building of PWD functionaries and the stake holders who are involved in construction, as well as, maintenance activities in the road industry of the state. Its role envisages helping sustainable growth and progression in capacity of the Department for the greater interest of the region.

RCTRC, Assam will utilize the services of individuals/ professionals in different training programmes proposed as per existing levels of capacity and understanding of different functionaries of the Department. Selected individuals/ professionals will be bestowed responsibility to train different level engineers, technicians, accounts and audit staffs and contractors, consultants who partners in the development of the road sector in the state and entire North East as well.

Major areas that need to be focused in the training programmes will include:

- Contract management
- Data management
- Planning, Programming and Budgeting
- Road Assets Management
- Excel Road Management
- Long term planning and Budgeting
- Design and Construction of sustainable low cost roads
- Road Safety and Safety Audits
- Preparation of DPR and Estimates
- Project Management
- Environmental Study and Management
- Social Safeguards issues
- Litigation and Arbitration
- Design of Roads
- Design of Bridges
- Initiation of new Technology for use of marginal local materials
- Application of Online Modules introduced by MORD like OMMAS, eMarg, etc.
- Quality Management
- Laboratory Testing of Construction Materials
- Disaster Management
- Financial Accounting System

Public Works Roads Department, Assam through the Director, RCTRC with office at Fatashil Ambari, Guwahati-25, proposes to engage individuals/ professionals to render service as faculty in various training programmes to be held in RCTRC for the year 2019-20. The term of the Faculty will be extended as per need of the Department by entering into suitable negotiations with the faculty. Apart from

having sufficient experience in imparting training or experience in the above focused areas the faculty will be required to fulfill the following norms of qualification and experience.

Educational qualification: Minimum Bachelor's Degree from Govt. recognized Colleges/ Institutions.

Experience: Minimum three years of teaching experience in any Institution with sufficient knowledge in related focus area or Minimum five years of experience of working in the related area. Sufficient knowledge in handling topic related software and modern technology equipments will be given priority.

Age: Upto 70 Years.

Remuneration: Selected Faculties will be empanelled for training programmes under PWRD. Services of empanelled faculties will be requisition as and when required by the Department and remuneration for every session of three hours duration will be as per approved rates of ARR&TI, PWRD, Assam. No cost for transportation or accommodation for the faculty during the training periods will be borne by the Department. However, for faculty outside the state such facilities will be borne as per negotiated terms and conditions. For any dispute the matter will be settled through Departmental arbitration committee and within the legal jurisdiction in Guwahati only.
